Tasks: We will be working with specific ethnic groups within Nashville. Tasks may include:

- * Construction projects
- * Backyard Bible clubs / childcare (think Vacation Bible School)
- * ESL classes (helping teach basic English to internationals)
- * Life skills classes (teaching internationals basic home and health skills)

Please remember that this is a mission trip, not a vacation!

- * Be sure you can commit to the entire week before applying.
- * There will be hard work, long days, and lots of walking. Nashville is HOT during July.
- * This will be one of the most rewarding experiences of your life.
- * God will be glorified on this trip!

Application: You MUST go through this three-part application process in order to participate in the trip.

1) Please complete the attached registration form. Along with this form, a deposit of \$100 is needed, to be applied to the overall cost of the trip and cover a background check. Checks should be made out to **Project 52** (not No Other Name!).

2) In addition to your registration form, a letter of recommendation is required from your pastor by **April 30th**. Please ask your Pastor to write and sign a letter endorsing your participation on this trip. No applicants are accepted without this letter.

Please mail your completed registration form, Pastor recommendation letter and \$100 deposit by **April 30th** to:

No Other Name

3) All participants must undergo a background check. As part of your deposit, \$19 will go toward this background check and the results will come to our office. Once we have received your registration form, we will email you a link to apply for the background check.

Again - these three tasks MUST be completed for you to be a part of this trip. The deadline to complete these tasks is April 30th.

Money: Personal spending money is not included in the cost. Although not required, a extra \$50-100 in your pocket may be beneficial. Nashville has all kinds of unique restaurants and opportunities you may want to take advantage of while you're here. Again, not required.

Accommodations: We will be staying in a hotel near our work site, with two people per room. We will be randomly assigning roommates by gender. If you and your spouse or family members will be participating together, please indicate on your registration form that you would like to share a room with them (up to four per room).

If you live in the Nashville area and would like to stay at home, please indicate on the form as well.

Immunizations: No immunizations are required for this trip, but an updated Tetanus shot is recommended.

Travel: Please note that travel expenses to and from Nashville are not included in the cost of the trip. You may drive or fly, but you must arrive in Nashville by 5pm on Saturday, July 14th. If you are flying, do not make flight arrangements until we have confirmed your participation! You **MUST** meet all of our approval criteria before you book your flight. If you need assistance booking your flight, please let us know as we have several travel agency partners.

Once we receive your application, deposit, Pastor's recommendation, and results from your background check, we will send you a confirmation and more information about the week.

If you have any questions about the trip or the application process, please feel free to email missions@noothername.com.
